

GROUP MEMBERSHIP APPLICATION FORM

Plymouth Pisces is run by volunteers who hire The Plymouth Life Centre on Sundays to provide swimming sessions for people with disabilities together with their families and helpers. During sessions only Pisces members and registered club helpers are covered by insurance and it is therefore necessary for all those swimming other than the registered club helpers to become Pisces members.

In recognition of the differing situations of groups and to avoid the necessity of taking down names each time a group comes swimming, groups from residential homes, respite centres etc. have the option of taking out a group membership. The group membership fee is currently £15.00 per annum, payable on 1st January each year.

A group may, of course, join as individual members with an annual membership of £5.00 each if so desired.

Groups will be asked to name individuals who will be attending swimming so that our helpers are aware of any special requirements. When attending a swimming session only the number swimming (both disabled and helpers) and the name of the person in charge will be registered. As of 1st January 2012 a swim for all swimmers over 5 years of age costs £1.70 per person.

In order to provide the best possible care please inform the club of any of the members of your group who may need special care or assistance from the club helpers. This is especially important if a member is subject to any sudden change in their condition such as a fit or a blackout.

To the best of my knowledge, none of the members of the group who will be going in the water has a medical condition, which prevents them from taking part in organised swimming.

WE WILL NOT BRING ANYONE WHO HAS A CRIMINAL CONVICTION FOR CAUSING HARM TO OTHERS. ALL CARERS ACCOMPANYING THE GROUP ARE AUTHORISED TO DO SO BY THE ORGANISATION.
