

All Change in 2012

On Monday 1st August Irene attended a meeting with Liz Slater from the council and Ian Cotton from SLM the company who will run the Life Centre. Below is a brief outline of the issues discussed:

- **Pool use** – Pisces will continue to meet between 11 am and 1 pm on Sunday mornings for the next 10 years.
- **Changing rooms** – SLM offer Pisces segregation in the changing rooms – choices include changing in the northern end of the changing rooms and use of group changing rooms.
- **Lifeguards** – Appropriate cover will be available.
- **Equipment** – Storage provision will be made.
- **Transition** – Staff will be on hand to direct members in the first few weeks of the changeover.
- **Income collection** – Members will be given a free 'Everyone Active Card' to get through the barriers. Once through they can pay their Pisces entrance fee at the Pisces desk.
- **Disruption** – There will be 10 Sundays a year when Pisces will be unable to use the pool due to other bookings and 6 days a year that the session could be cancelled.
